Learning Support Services Fees

In order to stay in compliance with updated state requirements, Padua Franciscan has made adjustments to our billing and tuition process. These changes will take effect starting with the 2025-2026 school year. Moving forward, our Learning Support Services (LSS) Program will charge a fee for individual services in addition to tuition.

Padua is a provider of the Jon Peterson Special Needs Scholarship and Autism Scholarship which are designated for parental use to offset the total tuition costs, including Learning Support Services (LSS) fees.
